

How to change **cloud email password.**

STEP 1

Use this link to open browser <http://mailguru.cloud/interface/root#/login>

The screenshot shows a web browser window with the address bar displaying "mailguru.cloud/interface/root#/login". The page content features a login form titled "Welcome to SmarterMail" with a help icon. The form includes an "Email Address" field, a "Password" field, a "Remember Me" toggle switch, a "Forgot your password?" link, and a "Login" button. Two red annotations are present: a box labeled "Enter Email" with an arrow pointing to the Email Address field, and a box labeled "Enter Email Password" with an arrow pointing to the Password field.

STEP 2

After LOGIN Interface click here to **settings** tab

STEP 3

Click **Change Password** button

The screenshot shows a user profile settings page. At the top, there is a dark navigation bar with various icons. Below it, a sidebar on the left lists settings categories: Account, Profile, Signatures, Autoresponder, Calendar Settings, Events, Folder Auto-Clean, Connect, Spam Filter, and Content Filtering. The main content area has a header with 'Save', 'Cancel', and a blue 'Change Password' button, which is circled in red. Below this header are several form fields: 'User' (with a red arrow pointing to it), 'Language' (set to English), 'Time Zone' (set to (UTC+03:00) Kuwait, Riyadh), 'Recovery Email Address' (sumeshchelari@gmail.com), and 'Plus Addressing' (set to Disabled). On the right side, there are additional settings like 'Webmail', 'Theme' (Light), 'Delete Account', 'Move', 'Text Encoding' (Western), 'Compose' (Arial), 'Default Font' (vpsun), and 'Preview' (Right).

Click to Change Password

STEP 4

Enter old password then type new password and confirm again

The image shows a 'Change Password' dialog box overlaid on a blurred background of a webmail interface. The dialog box has a title bar 'Password' with a question mark icon. It contains three input fields: 'Old Password *', 'New Password *', and 'Confirm Password *'. Below these fields, a list of password guidelines is shown in red text: 'The new password must meet the following guidelines:', 'Contain one UPPERCASE letter', 'Contain one lowercase letter', 'Contain any special character such as !, @, &, etc.', and 'Is at least 8 characters long'. At the bottom of the dialog are 'Cancel' and 'Save' buttons. Red arrows point from text boxes to the input fields: 'Type Old Password' points to the 'Old Password' field, and 'Type New Password and confirm again' points to the 'New Password' and 'Confirm Password' fields.
